[ipark42.github.io/portfolio-website/index.html](https://ipark42.github.io/portfolio-website/index.html)

I am a full-time Insurance Consultant of 4 years looking to make a career shift into Software Engineering.

## Education

- **Career Foundry, Online** August 2022–Present  
Full-Stack Web Development Program *Anticipated Graduation Date: May 2023*
- **Temple University, Fox School of Business, Philadelphia, PA** 2015-2019  
Bachelor of Business Administration, in Risk Management & Insurance, GPA: 3.46

## Projects

### AnimeFlix

- Developed a scalable, single page application for 10+ users to login, sign-up, and view info about their favorite Anime movies.
- Created with MERN stack and implemented CRUD functionality, JSON web-token authentication, and password hashing.
- Utilizes a RESTful API to store and display movie and user info.

### Pokedex App

- Application built using HTML, CSS, Javascript, and Bootstrap that loads data from an external Pokemon API, featuring a functional search bar.

## Technologies and Languages

- Languages: HTML, CSS, Javascript
- Technologies: MongoDB, Express, Node.js, React.js, Bootstrap
- Soft skills: Goal setting, public speaking, customer service skills
- Interests: Basketball, weight-lifting, kdramas, anime, self-help books, and electronic music duo Honne

## Work Experience

**Associate Broker** **Aon Risk Services** **June 2021–Present**  
Middle Market Philadelphia, PA

- Lead/aided brokering a \$6M book of business in property & casualty lines consisting of clients in Life Science, Technology, Healthcare, Public Entity, Food/Manufacturing, and Governmental Contracting industries in the Middle Market sector.
- Assist placements of accounts by curating loss summaries, schedules of insurance, renewal proposal presentations, benchmark analysis reports, coverage and rate comparisons, and policy checks.
- Responsible for all aspects of client service for assigned book of business including billing, policy collection, renewal and transmittal documents in accordance with established departmental service standards.

**Account Executive** **Valley Forge Insurance Brokerage** **June 2019–June 2021**  
Account Management Bala Cynwyd, PA

- Responsible for servicing and renewing over 1,000 existing lawyer's professional, inland marine, ocean marine, small business owners, and workers compensation accounts on an annual basis, while maintaining an 85% retention rate.
- Review all renewal submissions for completeness and acceptability, ensure proper contract file set-up, and distribute quotes and bind orders.
- Process requests for endorsements, certificates of insurance, loss runs, and answer coverage questions.
